

CSAA Service Award Nomination

There are currently hundreds of individuals that freely give of their time, talents, and funds to keep up and/or serve as school marms, and/or curators for country schools throughout the US and Canada. CSAA is committed to honoring these individuals each year.

Two awards will be given annually. Each award will include a stipend of \$300 which can go to the individual or the historical association of their local school house. Winners will also receive free registration to the annual conference the year the award is received.

CSAA will award candidates that have demonstrated a long-standing support of their local school.

Examples of potential awardees could be (and not limited to:)

- Someone who has donated their time each summer or season to have a school open for day or event, week after week or year after year.
- An area volunteer who has donated time and time again their talents to make repairs to the local school
- A person who has served as the school marm for years and is always an advocate for the preservation of the school

Two (2) awards will be granted.

The selection committee, CSAA Treasurer, and the director of the upcoming CSAA conference will review the nominations. The selection committee will notify awardees by mid April, grant a conference voucher, and present the stipend at the CSAA conference.

CSAA Service Award Nomination

1. Nominator name: _____

Address: _____

City, State, Zip _____

Phone: _____

Email: _____
